BORACHO IP HOLDINGS LLC,

Cause No. 19-CV-1558-BJR

**STIPULATED MOTION AND
~~PROPOSED~~ ORDER
REGARDING TEMPORARY
STAY OF CASE PENDING
SETTLEMENT**

BJR

STIPULATION

Plaintiff Boracho IP Holdings, LLC and Defendant Outback Power Technologies, Inc., by and through their counsel of record, hereby stipulate and agree as follows:

1. The parties previously stipulated to an extension of time for Defendant to respond to Plaintiff's Complaint for Patent Infringement until December 5, 2019, and the Court entered an Order accordingly. ECF-19, ECF-20.

2. The parties are and have been engaged in discussions regarding potential resolution of this case. In order to facilitate these discussions, the parties stipulated and agreed that—subject to the Court's approval—the deadline for Defendant to answer or otherwise respond to Plaintiff's Complaint for Patent Infringement, should be extended to January 6, 2020, and the Court entered an order accordingly.¹ ECF-25, ECF-26.

¹ For the same reason, the parties stipulated to an extension of the dates set forth in the Court's Order Regarding Initial Disclosure, Joint Status Report and Early Settlement (ECF-17), and the Court entered an order accordingly. ECF-22, ECF-24.

1 3. The parties have now reached an agreement in principle over settlement, which
2 settlement is contingent upon a corrected assignment for the Patent-in-Suit being effected by
3 Plaintiff. In order to permit opportunity for this correction to be accomplished, and so as to
4 avoid unnecessary litigation expenses, the parties are agreed—subject to the Court’s approval
5 —to a temporary stay of this case on the terms set forth in the proposed order that is attached
6 to this stipulation.
7

8 4. The reason for this second request for a stay is because a former patent owner,
9 Seiko Epson Corporation, is an overseas company and this process has taken longer than
10 anticipated.
11

12 5. The parties therefore request a stay of 60 days on all outstanding deadlines, as
13 provided in the proposed order attached hereto.
